Welcome to a home that offers more than just four walls. This timeless 1960 split-level has been thoughtfully refreshed with modern updates while keeping its warm character intact. Step inside and youâ€™re greeted by sunlight and gleaming hardwood floors, an open living and dining space that feels instantly inviting, and an updated kitchen ready for everything from weeknight meals to holiday gatherings. Slide open the doors to your deck and picture summer BBQs with friends or quiet mornings. Upstairs, three spacious bedrooms (including a true primary suite with private bath) promise comfort and retreat, while the updated hall bath makes daily routines effortless. Head downstairs and discover what sets this home apart: a full and functioning second kitchen and a living area that opens the door to effortless hosting, multi-generational living, or even catering for big gatherings. The walkout basement leads you to a fully fenced backyard, complete with a shed, offering privacy, space to play, and room to unwind. Recent upgrades mean peace of mind: brand-new windows (Dec 2024), fresh paint (June 2025), a newer heating system (2023), and a newer roof (2022).
