AGENT WILL UPLOAD PROFESSIONAL PHOTOS BY EOB 10/21. This house has so much room and storage! 4 bedrooms and 2 baths on the first and second floor, then the basement has a 5th room and full bath/kitchen area. The basement is set up for POTENTIAL RENTAL INCOME. Every level has a full bath and the electric is able to house a family on each level, however, first and second level would have to share a kitchen most likely. If you want to keep the entire space for you, it's a beautiful living space that allows for many options such as offices, playrooms, workout rooms, hobby rooms, etc. Come take a look today! The roof and HVAC was completely redone in 2018, so they are 7 years old. And to top it all off, there is a screened in porch over top of the garage that would give you a secret sanctuary, if you haven't already booked a showing, call today!
