SHHHHH I have a secret.... This may be the most amazing home in the Mid-Atlantic. This home is located on over 27 acres with extensive hardscaping and a luxury villa design unlike any other. The main level includes panoramic views of this estate with custom hardwoods, a historic fireplace, coffered ceilings, a full home sound system, and a one-of-a-kind dining room that includes a balcony. All of this is accompanied by a main level primary suite that rivals any vacation getaway that you could hope for. The upper level includes multiple balconies to see the entire property. Each bedroom includes a hotel style feel that is completely unique. All bathrooms are customized and the bedrooms include expansive closets.

The lower level is unlike any basement you have ever seen. Over 10-foot ceilings, and a commercial equipped bar this feels like an event venue in your own home. The style and design must be experienced in person. Walkout access provides tons of natural light. This home could entertain large parties or could just be your own private oasis that allows you to escape the hustle and bustle of life. With Geothermal heating this home is extremely energy efficient without the expenses you would expect to find in a home this size. There is so much to take in here but don't forget to experience the hydroponic growing room underground that is currently growing vegetables for perfect off the grid living.

If this inside is not enough the exterior offers multiple living areas, all with their own unique and spectacular views. The attached guest house offers a bedroom, full bath, and the perfect kitchenette. This home screams ENTERTAIN HERE, but if you just want to escape and keep it to yourself, it can accommodate that as well. The main level garage includes three oversized bays that extend extra deep in this garage. The lower level garage includes more motorized storage plus a large workshop. The property includes extensive hardscape, sprinkler systems, fenced areas and a large farmable area. This provides the opportunity for Ag tax credit is desired. Enjoy a wooded portion with a historic stone wall. Views of mountains (check), woods (check)... You will find no other home to match this in the DMV.
