4 Bedroom, 2.50 Bathroom, 2,202 sqft

Residential on 0.23 Acres

NONE AVAILABLE, RIVERSIDE, NJ

Rare opportunity in Riverside! This spacious 4-bed, 2.5-bath home combines historic charm with the everyday conveniences buyers crave. Situated just steps from all three local schools and within walking distance of shops and the River Line train, the location is as practical as it is charming. Unlike most homes in town, this property delivers what everyone wants but rarely finds: a long private driveway, two-car garage, a full multi-room basement with outside entrance, and a large backyard perfect for gatherings. Inside, enjoy over 2,200 sq ft of living space, freshly painted walls, and brand new carpet installed in 2025 (photos taken prior to installation) throughout. The living room flows effortlessly into a cozy den with original pocket doors — ideal for entertaining or quiet evenings at home. Upstairs, you'll find generous bedrooms and the bonus of an upstairs laundry, a feature almost unheard of in homes of this era. The basement offers endless potential with multiple rooms for storage, hobbies, or finishing to suit your vision. Step outside to the back porch and yard, where there's more than enough room for play, gardening, or simply unwinding in privacy. Recent upgrades include a new central HVAC system (2022) for comfort and efficiency.

Don't settle for a smaller home with no parking or basement. This one checks the boxes most Riverside buyers have been waiting for — size, storage, parking, and an unbeatable location near schools and transit.

You can picture it now. So bring your furniture, hang a few paintings, and sit back and relax! Welcome home.
