This home is just beautiful inside! The very open floor plan is eye captivating upon entry with the white and gray ceramic tiling that flows continuously on the flooring and walls and unites one room to the next for a bright and clean appearance. The recessed lighting enhances the effect and makes for a very cheery environment. The kitchen offers a stylish modern look with updated counters and stainless steel appliances. The massive island space provides the added working and eating areas to blend this design with all first floor living areas. There is an electric built-in wall fireplace that adds such appeal to your eat in area and your family room space. A half bath is located on the first floor along with a pantry, storage closet, and laundry area. The upper floor offers a 19' x 11' primary bedroom with a walk-in closet and a storage closet.
