Welcome to this beautifully reconstructed one-bedroom, one-bathroom condo in the highly desirable Valley Glen Condos of Maple Shade. Rebuilt in 2022 above the original foundation, this lower-level unit offers modern upgrades and unique features not found in other buildings within the community.

This building is fully up to current building codes, featuring brand-new electrical wiring, separated water lines, and exclusive plumbing cleanout access. It is also the only building in the development equipped with a fire suppression and sprinkler system, offering enhanced safety and long-term value.

All major components including the HVAC system, water heater, and all kitchen appliances—are only 3 years old, providing peace of mind for years to come.

The curbing in front of the building is handicap accessible, making it easier for those with mobility needs. Inside, you'll find a spacious open-concept living and dining area, an updated kitchen with stainless steel appliances, and a screened-in porch perfect for relaxing. The generously sized bedroom features two large closets, with multiple additional storage areas—including a dedicated laundry closet with electric dryer hookup (washer and dryer not included).
