10 ACRE FARM located in Upper Deerfield Twsp.- This almost 2600 sq ft, raised ranch home is nestled in the middle of multiple pastures. Providing views of the pastures from almost every window. It has a total of 3 bedrooms with 3 1/2 baths (2 of the bedrooms have their own full bath) on one side of the home. The open concept of the living room, dining and kitchen areas in the middle of the home offers great entertaining potential. The dining area sliders to the raised back deck, gives more potential for extending the entertaining to the outdoors. Off of the Living/Dining area is a large mudroom (with its own entrance to back deck) with its own 1/2 bath and laundry. From there you are led to the large bonus area. It has its own full bath, laundry, and wet bar. This area would be a great office for the farm, family room, etc. All of this sits on top of a basement of the same footprint. With its 9ft ceilings and walk out entrance it gives tons of extra potential. Let your imagination run wild. In 2021 the home was updated with a new roof, furnace and a tankless water heater. The heat/AC is dual zoned, helping with the home's energy efficiency. To also aid with the home energy efficiency... Solar panels have been installed on the barn, with a lease amount of only \$147.00 a month. Now let's get to the good part... Behind the home is a large 18+ stall barn with 10x12 matted stalls.
