The Vail – A Mid-Century Modern
Masterpiece

Set on 2.19 acres of professionally designed grounds, The Vail is a rare offering that seamlessly blends mid-century modern architecture with contemporary luxury. Sitting on one Haddonfield's most sought after corner lots on "Lane of Acres." Originally acquired in the 1980s, this fully custom home has been meticulously renovated with the finest materials and expert craftsmanship, guided by a California space planner and designer to ensure flawless execution at every turn.

A sweeping driveway leads to an impressive entrance, revealing interiors that feature an expansive first-floor primary suite, three additional bedrooms, and a spectacular chef's kitchen outfitted with Sub-Zero, Miele, and Gaggenau appliances and Bulthaup cabinetry. Custom built-ins, solid-core doors, and integrated mechanical systems are woven throughout with exacting precision.

Additional amenities include an in-law or au pair suite, a private gym, a first-floor office, and an oversized two-car garage with a bath. A stunning pool house with a full gourmet kitchen, living and dining areas, and two bathrooms overlooks the heated inground pool, finished with Ipe decking and surrounded by exquisite custom cedar fencing.

Professional landscaping, underground utilities, exterior lighting, and an architecturally complementary storage building complete this one-of-a-kind estate.
