000, LAMBERTVILLE, NJ

This recently completed sophisticated home invites you to experience Lambertville from a fresh perspective with a beautifully curated interior and all the energy of town right at your doorstep. From almost every level, this home opens to water views and natural light. Wide-plank European white oak floors set a warm foundation, while quartz surfaces lend a crisp, modern edge to the kitchen, wet bar, and baths. The chef's kitchen and the living room flow seamlessly to a Trex rear deck and fire-pit garden with direct access to the towpath. Upstairs, two bedrooms share a thoughtfully designed bath, while a dedicated workspace offers a place to work from home. The primary suite is a study in calm, with a walk-in closet and a spa-like bath. On the top floor, a generous bonus space features Merenda wallpaper, a wet bar, fireplace, and powder room easily adaptable as a studio, media room, or even an additional bedroom. The finished lower level adds more flexible living space, complete with a second fireplace and room to stretch out and watch TV or play. Even the garage has been transformed into a private gym, easily convertible if needed. With its gorgeous textured walls and modern finishes and a location that puts Lambertville's best restaurants, boutiques, and coffee shops within easy reach, this home is as effortless as it is refined. This property is NOT in the flood zone.
