Welcome to your MOVE-IN READY DREAM HOME! The landmark Cotteral Home is a North-facing Victorian style 5 Bedroom/1.5 Bathroom, 2,420 sq. ft. home and it boasts copious amounts of old world charm while being situated on a spacious open lot. A Historic home that is not regulated by historic zoning restrictions with newer upgrades is a big plus. The home has a very nice layout with big flowing rooms. The Center Hall entrance has a beautiful staircase that leads up to 5 spread out bedrooms and a large Walk-up Attic that can either be finished or used as extra storage. There is a separate secondary staircase towards the back of the home leading straight to the kitchen for extra convenience. There is beautifully finished wide hardwood plank flooring and numerous ornate details throughout the whole home. In the front and side of the home there are covered porches. The side porch leads into a sprawling slate stone patio area for your quiet enjoyment. The oversized or double lot is large enough to do many things (entertain, add a volleyball/basketball or any other kind of sport field/court, garden, etc.) and already has an above ground swimming pool that is about 2 years old. The lot is big enough to be subdivided in the future and sold. LOCATION, LOCATION, LOCATION!
