QUEENSTON COMMON, PRINCETON, NJ

In Princetonâ€™s Queenston Common, this townhouse blends refined design with the vibrancy of living close to all of Princetonâ€™s happenings. The renovated kitchen, completed in 2022, introduces soft gray cabinetry with sleek profiles, gas cooking, and stainless-steel appliances that elevate the day-to-day into something quite indulgent. Atrium doors open from the living and dining area to a private deck offering leafy views. Built-ins and a fireplace add a touch of cozy. A full bathroom on the first floor is also super handy. Upstairs, the main bedroom is anchored by a large, organized walk-in closet and a modern en suite bath. A second bedroom and hall bath complete the level, with laundry thoughtfully located for ease. The finished lower level adds so many options thanks to an egress window and a carved-out office nook, creating a space as comfortable for guests as it is for work or wellness. A one-car garage and amenities that include a community pool and tennis courts, are maintained through a comprehensive HOA that also covers water, sewer, exterior upkeep, and snow removal.
