Welcome to this move-in ready twin/semi-detached home, set on a fenced-in double lot with a detached two-car block garage and additional driveway parking. The exterior features all brick with a welcoming covered porch, adding to the home's charm. Inside, the first floor features a very generously sized living room with beautiful column details that create a natural separation for flexible space. The layout continues with a dining room with built-in closet storage and an updated kitchen featuring waterproof laminate flooring and access to the backyard with a covered porch. Fresh paint and new carpeting, plus ceiling fans, add comfort and style throughout the main living areas. Upstairs, you'll find three freshly painted bedrooms, each with new carpet and ceiling fans, along with the full bath. A walk-up attic provides bonus space for storage or hobbies, while the unfinished basement adds even more room for storage or projects. Recent upgrades include a 2025 roof with industrial rubber on the lower level and architectural shingles on the upper, a 2024 boiler, a 2024 hot water heater, brand-new flooring with a five-year warranty, and replacement windows installed in 2010. Conveniently located near commuter routes, this property combines an updated condition with the added value of extra land and parking which is something rarely found in the area.
