Residential on 0.80 Acres

NONE AVAILABLE, LAMBERTVILLE, NJ

Set on a scenic stretch in Hopewell Township with a Lambertville mailing address, this expanded four-bedroom home abuts a neighboring farm offering bucolic views of grazing horses and open fields from the backyard. Whether you're lounging by the swimming pool with its new liner, toasting marshmallows by the firepit, or firing up the built-in Blackstone grill and pizza oven, the outdoor spaces are designed to make the most of leisure time. Inside, the home features a newly updated kitchen and a newer bathroom on the second floor. Three bedrooms and a bathroom offer easy access on the first floor, while upstairs, two additional bedrooms, a bathroom with double vanity and bonus living area provide space for growing needs. The living room centers around a wood-burning fireplace, while a spacious three-season sunporch stretches across the back of the house providing an ideal location for future expansion, with floor plans already drawn up and available. The daylight lower level includes its own side entrance from the driveway and functions beautifully as a home office. A custom built chicken coop and enclosure along with plenty of room for a garden are primed for your backyard farming venture.
