Welcome to 104 Gordon's Corner Rd., a stunning Colonial residence that blends timeless charm with thoughtful updates, set on an expansive over half-acre property in the highly desirable Gordons Corner section of Manalapan. Surrounded by million-dollar homes yet offered at an incredible value, this property delivers both the lifestyle and investment opportunity today's buyers are seeking.

From the moment you arrive, the inviting front porch and classic Colonial architecture set the tone. Step inside to discover sun-filled living spaces with hardwood and laminate flooring, a warm brick fireplace, and vaulted ceilings that create volume and character. Multiple gathering areas provide plenty of room to relax, entertain, or work from home. The layout flows naturally, making this home as functional as it is welcoming.

At the heart of the home is a chef's kitchen designed for everyday living and effortless entertaining. Featuring custom teak wood cabinetry—a rare and luxurious material choice—along with sleek stainless-steel appliances and durable Corian solid-surface countertops, the kitchen is both stylish and low-maintenance. Its seamless finishes and natural warmth make it a perfect blend of tradition and modern convenience. Whether you're preparing weeknight dinners or hosting friends, this space truly

shines.

The home offers 4 spacious bedrooms and 2.5 baths, highlighted by a serene primary suite with its own walk-in closet and private bath. Secondary bedrooms are generously sized, offering flexibility for family, guests, or a dedicated office. Every space has been designed with both comfort and function in mind, giving this home broad appeal for a variety of lifestyles.

Step outside and experience what sets this property apart: your own private backyard retreat. Set on more than half an acre, the yard is a rare find in Manalapan. It features a sparkling heated in-ground pool, multiple seating and dining areas, and mature landscaping that enhances both privacy and beauty. Whether it's hosting summer pool parties, unwinding on a quiet evening, or simply enjoying the open space, this backyard provides endless possibilities. The lot size alone gives buyers the opportunity to create the kind of outdoor living space that's nearly impossible to duplicate at this price point.

Additional features include a convenient laundry/mudroom, an attached garage, maintenance-friendly vinyl siding, and updated systems for peace of mind. The property is located within minutes of top-rated schools, shopping, parks, Route 9, and NYC transit, making daily life as convenient as it is enjoyable.

Here's where this home truly stands out: it is being offered at \$798,000, in a neighborhood where nearby homes routinely sell for \$900,000 to well over \$1M. That means buyers are not only securing a beautiful Colonial with a heated pool and oversized yard, but also making a savvy investment in

one of Manalapan’s most prestigious areas.

104 Gordons Corner Rd. is not just another listing—it’s an opportunity to own a large property with lifestyle features buyers dream about, at a price point that’s nearly impossible to find in this market.
