Residential on 1.37 Acres

LOVELADIES, LONG BEACH TOWNSHIP, NJ

A unique opportunity for the discerning buyer to own one of the few remaining legacy waterfront tracts on Long Beach Island. Spanning nearly 1.5 acres with over 100 feet of vinyl bulkhead along the tranquil Barnegat Bay, this remarkable property offers unparalleled serenity and privacy. At the heart of the property stands a striking example of mid-century architecture infused with coastal charm. The home was designed by renowned Philadelphia architect Beryl Price, FAIA, and brought to life by craftsman Cliff Campbell. Price is well known for his many designs and contributions throughout the Philadelphia area, creating works that artfully blend form and function. The home features five bedrooms and four bathrooms, thoughtfully arranged in an open-concept layout that preserves both flow and privacy. A standout feature is a separate suite, complete with its own private entrance, living area, and kitchenette. True to its vision, the property excels at blurring the line between indoors and out—capturing summer breezes, warm natural light, and its stunning bayfront setting. Whether reimagining the existing structure or using this pristine bayfront tract as the foundation for a new vision, this is truly a once-in-a-generation offering. For over 70 years, the same family has built priceless memories here. Now, it's time for a new chapter. Property to be conveyed as-is. Showings by appointment only. Contact us today!
