Just completed and ready for immediate occupancy!! Cross the Causeway Bridge and head north to this custom new construction located lagoon-front on the northern end of Loveladies. Through the classic-craft mahogany double front door it is impossible to miss the attention to detail. European white oak 6" wide-plank flooring throughout. Crown molding throughout the house – coffered ceilings in both the second-floor master bedroom and the family room and shiplap up all stair walls. Stairs and rails are red oak w/white square spindles. A tray ceiling in the first-floor owner's suite with shiplap on the west wall, custom closet shelving, recessed lighting throughout, shiplap in multiple rooms, a three-stop elevator and a beautiful fireplace w/custom mantle complete the picture of quiet luxury. The kitchen is a chef's delight! A Sub-Zero 42" french-door refrigerator, Wolf 36" range, Jen-Air dishwasher and microwave make light of any task. A huge center island will become the "heart of the home". Featuring 6 bedrooms (including two master suites on separate floors), 5 full and two half baths. Two separate gathering areas offer plenty of space for all your family and guests. The huge fiberglass rooftop deck is where you can enjoy the breathtaking ocean views and magnificent sunsets. Two separate laundry rooms are equipped with GE Profile front loader washer and dryers: a tankless gas hot water heater, and 3-zone HVAC with wifi-controlled Nest thermostats will keep you

comfortable and stress-free all year round. A complete home automation system including security system w/4 cameras and monitor, central vac w/hideaway hose system, TV wiring w/HDMI, 8 sets of speakers and a whole house WiFi extender makes this house a techâ€™s dream. The landscaping is a site to behold â€“ follow the bluestone stepping stones from the front porch past the flower beds â€“ through the gated fence to the back yard -- actually, your own private paradise. The path brings you past the large deck to the full outdoor kitchen â€“ complete with granite countertops, grill and beverage center and the 16 x 30 heated saltwater pool with hot tub. Of course, there is an outdoor shower, and access to the bath and laundry room is conveniently from the deck. There is 82â€™ of new vinyl bulkhead and a brand new dock, and a pedestal w/electricity and water complete this boaterâ€™s dream. There is also an irrigation system, landscaped lighting, and natural stone surrounds the entire perimeter of the home. Last but not least, this home is just a few houses from the beach and comes with its own deeded beach access. Make an appointment to see today!
