3 Bedroom, 4.00 Bathroom, 2,776 sqft
Residential on 15.85 Acres

NONE AVAILABLE, KEMPTON, PA

Welcome to your private retreat on 16 sprawling acres with stunning panoramic views of the surrounding mountain ranges, including Hawk Mountain™'s peak. Set back on a private drive, this custom-built ranch home (2001) offers over 3,000 sq. ft. of thoughtfully designed living space, seamlessly blending comfort, function, and flexibility. Inside, the home showcases a gorgeous custom kitchen, an open great room with hardwood floors, and two private primary bedroom suites—perfect for multi-generational living or hosting guests. Expansive windows flood the home with natural light while capturing the beauty of the largely level, open acreage. The full basement provides both storage and versatility, featuring a flex room with 24" thick concrete-reinforced walls for added safety and security of personal belongings. Additional upgrades include a generator hookup, radon system, UV light water filtration, and a chimney with an extra flue for the addition of a stove. The oversized garage and attic offer abundant storage, with plumbing already roughed in for future expansion in both the attic and basement. With its rare combination of privacy, acreage, and breathtaking views, this property is a true sanctuary—ideal for those seeking both seclusion and convenience in a custom home designed to stand the test of time.

Built in 2001
