NONE AVAILABLE, KUTZTOWN, PA

With its country-like setting and proximity to major routes, this farmhouse has 1800 character blended with modern amenities. The land was part of an original deed from William Penn in the early 1700s. Its' earliest owners built a small, 2 story stone structure to house animals below and the family above and the remains of that structure are still visible at the back of the property. The current owners have made numerous, carefully considered upgrades to the property, including but not limited to replacing the furnace, central air, hot water heater, water filtration system, fascia, soffits, most gutters and downspouts. They re-graded the driveway and removed dead trees. Double doors at the formal entry open to the living room. There is also a dining room and large kitchen (with many well considered appointments) and a breakfast area with doors opening to a spacious deck. There is a room that serves as a den which opens to a covered part of the porch, a perfect spot for some outdoor quiet time. The 2nd floor offers 3 bedrooms and 1 full bath. The largest bedroom opens onto a balcony. The 2nd & 3rd bedrooms, while accessed separately from the hallway, have an adjoining door. The attic is spacious. Note the Roman numerals on the attic beams. Outside there are several spots for relaxing al fresco. The outhouse structure was used as a tool shed and there is also a side shed attached to the house for storing larger items. The whole house generator operates automatically. All in

all, a welcoming respite from our tumultuous world. Property being sold "AS IS".We welcome your showing appointment, but please don't park on the road. Use the gravel parking area.
