Imagine driving home each day down a peaceful country road, passing local farm stands overflowing with pumpkins, produce, & fresh flowers. The kind of drive that slows you down & perfectly sets the tone for what awaits.

Welcome to The Horner Road House. A beautifully remodeled 3 bedroom 2 bathroom Cape Cod home nestled on over half an acre in Cumberland Valley School District. This home offers the perfect blend of privacy & convenience, backing up to picturesque farmland & mountain views that make every sunset feel like a painting.

Step inside to an inviting living room where luxury vinyl plank flooring & an abundance of natural light create a warm, & inviting space. The living room flows seamlessly into the spacious dining area, framed by an exposed wooden beam that adds timeless charm & character.

At the heart of the home, the kitchen showcases a refined modern traditional aesthetic. Timeless in character yet beautifully updated. Featuring a mix of refinished cabinetry & open shelving, while the butcher block island adds warmth & texture to the space.

From the kitchen, step into a large family room

anchored by a brick wood-burning fireplace. The ideal spot to curl up this Fall. Sliding glass doors open to a covered back porch where you can enjoy your morning coffee or take in the most incredible views at sunset.

A hallway leads to a spacious laundry room & a completely remodeled full bathroom that has been completely updated with modern finishes. At the end of the hall, discover your first-floor primary retreat, complete with a large walk-in closet & a custom-designed en suite bathroom that feels straight out of a design magazine.

The primary bathroom is an absolute showstopper. Every detail was intentionally chosen, starting with the custom one of a kind vanity featuring marble countertops, wall mounted faucets, & a rich wooden base that feels more like designer furniture than cabinetry. A freestanding soak tub with a brushed gold floor mounted faucet & a large walk-in tile shower complete this spa retreat.

Upstairs, two large bedrooms await. Each featuring double windows that bring in natural light throughout the day. Spacious & comfortable, these bedrooms are perfect for kids, guests, or a peaceful home office.

Every inch of this home has been thoughtfully updated with timeless finishes, functional flow, & modern comfort. The Horner Road House offers the rare combination of charm & modern amenities, all while being just a 2-mile drive from a shopping center with Starbucks, Aldi, & Target. This home also has easy access to I-81 & is only 3 miles to the Pennsylvania Turnpike.

Outdoor enthusiasts will love that the property is also less than 2 miles from two different Appalachian Trailheads with parking, offering

easy access to hiking & breathtaking mountain scenery.
