Looking for 6 bedrooms and a barn? Look no further! This sprawling ranch home will fit the bill! All 6 bedrooms and 3 full bathrooms are all on the main level, though split between separate ends of the home. Perfect for multi-generational living! All 6 bedrooms are spacious and have plenty of closet space. The large living room in the front has a lovely brick fireplace. It leads to the open kitchen, which, in turn, leads to the family room with beamed ceiling. The family room also has a woodstove and a sliding door to the back yard. The home has baseboard heat, each individually controlled so if you're not using some of the bedrooms it's easy to close it off. The sellers have used window air conditioning units over the years. The big draw here is the lovely 4.3 acre lot! Perfect for horses! There's a 2 story barn that has 3 garage bays in front and 4 horse stalls in the back side. There's also a 2nd floor hayloft. Bring your horses, bring your cars! So many possibilities!
