211 Wooded Way

A timeless Georgetown Classic reimagined for modern living, 211 Wooded Way blends East Coast elegance with refined craftsmanship. Every detail reflects thoughtful design—from bespoke millwork and custom cabinetry to a gourmet kitchen anchored by a statement dairy-table island.

The adjoining scullery and butler’s pantry, layered with a neutral floral wallpaper and warm brass accents, elevate everyday function to an art form—the butler’s pantry itself a striking design moment in rich, moody tones. The main-level powder room introduces a warm green, adding a subtle hint of color that complements the home’s warm, layered palette.

Throughout, curated lighting and rich finishes create a sense of depth and quiet sophistication. Upstairs, the owner’s suite offers a serene retreat with soft neutral tones, abundant natural light, and a custom built-in makeup vanity that blends beauty and function. A spa-inspired bath and thoughtful architectural details complete the space. Additional flex areas, a finished lower level, and beautifully layered textures throughout complete this one-of-a-kind Main Line residence—where tradition meets tailored luxury.
