Investors, this is your next project! This property includes a home and the 1300SqFt lot next door to it. This property was a store front and a triplex. The house has been completely gutted out for the new owner to easily start remodeling. This home with the extra lot space has potential. Investors can turn this into a 6 bedroom 2 bathroom home, build a garage or another home on the lot and more! You won't find another deal like this! The seller doesn't recommend going inside but you can drive by and see the inside of the property from the windows.
