GREENFLDS AT CONCORD, GLEN MILLS, PA

Welcome to this beautifully updated 5-bedroom, 3 full bath ranch style home, in the desirable Garnet Valley School District, where comfort, charm, and functionality come together in perfect harmony. From the moment you arrive, youâ€™ll appreciate the classic curb appeal, with a low-maintenance exterior of stone and stucco that offers both durability and timeless style.

Step inside to discover a well-maintained, thoughtfully updated interior filled with natural light and elegant details. Flooring on the main level as well as the basement has been updated in Oct. 2025. The main kitchen is a chefâ€™s dream, featuring a large center island, double ovens that include a multi-function microwave, and split oven, recessed and pendant lighting, and a convenient wet bar complete with a wine fridge and ice machineâ€”ideal for entertaining or everyday enjoyment.

Just off the kitchen, the all-season sunroom offers year-round relaxation with its own mini split and ceiling fan, providing a perfect spot to unwind while overlooking the lush, tree-lined 2-acre backyard.

The spacious primary bedroom suite includes a walk-in closet, a recently updated spa-inspired bath with white subway tile, an accent wall tiled shower enclosed in glass, a

double vanity with granite countertops that are all designed for functionality and relaxation.

On the opposite side of the house joined by a family room, there are three bedrooms (or two bedrooms and an office) with a large upgraded bathroom featuring a glass enclosed shower, freestanding soaking tub, dual vanities topped with sparkling granite countertops, rich smokey gray glass subway tile, and soft blue walls that create a peaceful retreat.

Downstairs, the full, partially finished basement expands your living options even further with a full size living room, a large bedroom and full bathroom and tons of storage. There is also a second kitchen area ready for your appliances, with kitchen cabinets, a sink and an island with butcher block countertops for durability. With its rustic loft feel and double doors that lead up to the backyard this space is ideal for guests, extended family, or recreation.

Step outside to a backyard made for entertaining and play. The expansive patio features a built-in brick wall, a cozy fire pit, and a charming pergola. A bridge over the basement steps leads to the kitchen side of the house and another concrete patio. A dedicated play area with a rubber mulch bed and neat edging ensures fun for the whole family, while the mature trees, beautiful gardens and meticulous landscaping provide beauty, privacy, and tranquility.

Car lovers and hobbyists will love the 40 x 60 Pole barn with 3 overhead doors, a side entry door, electricity and a loft with full sized stair access for additional storage. A separate one-car detached garage adds even more versatility.

With two long driveways—one on each side

of the propertyâ€”youâ€™ll never run out of parking for guests, RVs, or gatherings.

This home truly has it allâ€”stylish updates, generous space, and incredible outdoor living. Donâ€™t miss the opportunity to make it yours!
