Here's your opportunity to own a home at a reasonable price, or add a rental property to your portfolio. The renovations will certainly catch your eye, but it's the location that makes this an even better option! This 3 bed, 1 bath is tucked away on Chestnut St, right off of MacDade Blvd, Chester Pike & Main St, so not only is it a short drive from pretty much everything that you need, but you're also within walking distance to the train station, as well as places like Save A Lot, McDonalds & Popeyes, Dunkin, and Produce Junction. Mercy Fitzgerald Hospital is right up the road, too. The interior of the house features a large, open concept living room & dining area, along with a beautiful kitchen, which leads out to the backyard. The kitchen is equipped with plenty of cabinet space, stainless steel appliances, and a dishwasher. The top floor has a brand new bathroom, and bedrooms with LVP flooring & remote controlled, high-powered ceiling fans. Last but certainly not least, the HVAC system was just installed earlier this year! So, with all that being said, who's ready to make a move?
