MOUNTVILLE BOROUGH, MOUNTVILLE, PA

Here's a rare chance to own one of Mountville's most iconic properties - a beautifully maintained all-brick Colonial with a dream backyard, detached garage/workshop, and endless potential. Located in the heart of town, this 3-bedroom, 1.5-bath home has been lovingly cared for.

Step inside and experience timeless elegance. From the covered front entry, you're welcomed by a central foyer leading into a gracious living room with wood-burning fireplace and oversized windows. Original hardwood floors run throughout much of the home, preserving its character while providing warmth and charm.

A formal dining room connects seamlessly to the custom kitchen, where rich cherry cabinetry, solid-surface countertops, an island cooktop, and built-in desk area cater to both everyday living and entertaining. The adjoining breakfast nook is bathed in natural light from a bay window, while the adjoining sunroom opens directly to a fully hardscaped backyard retreat - complete with brick patio, pergola, water lily pond with waterfall, manicured garden beds, and privacy fencing.

Upstairs, three spacious bedrooms share a large full bathroom with dual-sink vanity and tub/shower with gold accents. The lower level includes a second full bath, laundry/storage area, and a partially finished room ready for your vision - home office, gym, or rec space.

A large garage / studio / workshop situated at the back of the property boasts two floors of space for storage, projects, or even display. The shared driveway runs the length of the property, connecting to the alley with access to Hill Street.
