BELAIR NORTH, LANCASTER, PA

This Belair North Beauty is located in the perfect Manheim Township location. It's very close to restaurants and shops and yet just on the edge of a great little neighborhood. The owners built the home 40 years ago, added an addition by Dutch Quality and have kept it in top notch working order ever since. They upgraded the two car garage to a 7 CAR GARAGE and added an addition above the garage! The main floor has a sunken fireplace, living room, dining room and kitchen. Upstairs you will find a master suite PLUS 4 more bedrooms for a total of 5 bedrooms or make it 4 bedrooms and 1 nice office which is the current setup. A fireplace in the sunken den and primary suite are ready to make your winters cozy. A very unusual, but surprisingly functional above ground entertainment area on the second floor opens to a sunroom with hot tub and large deck. The back yard is half fenced for the pups with a nice privacy fence. The garage does have a front and rear exit. Bring your toys! The basement is unfinished and ready for your ideas. There is a total of 3880 finished square feet above ground in this unassuming and spacious home! More pictures approximately 11/15 and Showings to start approx. 11/19
