Originally built in 1901, this architectural masterpiece has been thoughtfully expanded and modernized, with no expense spared in its transformation. From the moment you arrive, the metal inlay glass front door welcomes you into a home where quality craftsmanship shines. Inside, discover a gourmet kitchen designed for both function and beauty, featuring custom cherry cabinetry, a stunning 11-foot granite island, radiant heated porcelain tile floors, and top-of-the-line Sub-Zero and Wolf appliances. The additional bedrooms offer their own distinct luxury—Bedroom 1 features a private bath with radiant-heated slate floors, exquisite Blue Bahia granite, and a clawfoot soaking tub.
