Contemporary Three-Bedroom, Three-Bath
Middle-Unit Townhouse with Spacious Living
Areas

Discover modern living in this beautifully designed three-bedroom, three-bath end-unit townhouse, offering a smart layout across three levels. With abundant space and privacy, this home provides a perfect balance of comfort and functionality.

Lower Level:

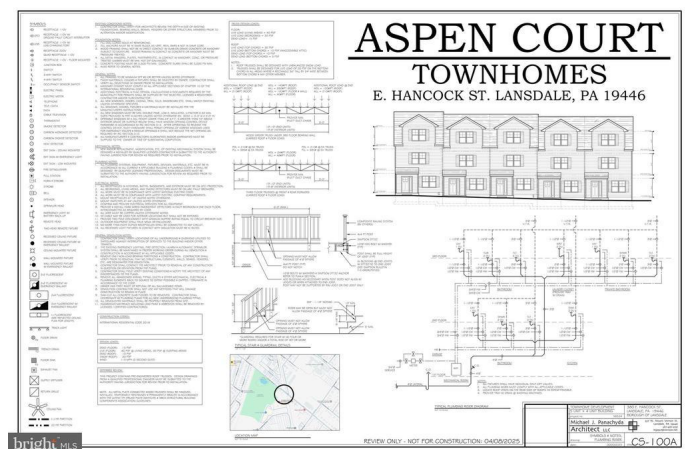

The lower level of the townhouse offers a versatile living area that can serve as a family room, home office, or recreation space. It's perfect for relaxation or hosting guests and includes easy access to additional storage and the one-car garage.

Second Level:

On the second floor, you'll find a bright and open kitchen with modern appliances and ample counter space for all your culinary needs. The kitchen flows into a cozy dining area and living space, creating the ideal environment for family gatherings or entertaining. A spacious bedroom on this level is complemented by a full bath, making it ideal for guests or use as a private office or retreat.

Third Level:

The third level is dedicated to restful living with two additional bedrooms. The master suite is a luxurious retreat, featuring a large closet a double vanity, separate shower. The second

bedroom on this floor is generously sized, perfect for family members or as a home office, with easy access to another full bath. And a laundry room.

As an end unit, this townhouse offers enhanced natural light, added privacy, and fewer shared walls—perfect for those seeking a bright and serene living space

Great access to shops, schools, parks, and transit routes makes daily life easy and convenient.
