This beautiful split-level home in the highly desirable Crosswicks neighborhood of Abington Township offers a unique blend of open living, versatile spaces, and resort-style amenities.

Step inside to a bright foyer that opens to an expansive living and dining area filled with natural light from a front bow window and rear sliding glass doors. Hardwood floors, recessed lighting, and ceiling fans add both warmth and functionality. The dining room opens to an elevated deck, perfect for indoor-outdoor entertaining.

The kitchen connects seamlessly to both the living and dining rooms and features a breakfast bar, Sub-Zero refrigerator, stainless steel appliances, and Corian countertops. A window over the sink overlooks the backyard and in-ground pool, creating the perfect gathering spot.

Downstairs, a spacious rec room with stone fireplace and wood-burning insert provides a cozy retreat. Sliding doors open to a rear patio and pool area, while this level also includes a half bath and direct access to the two-car garage. A few more steps lead to a fully finished basement with bar and laundry roomâ€”ideal for entertaining or movie nights. Up from the main level, youâ€™ll find two bedrooms, including one with a remodeled ensuite bath. The second oversized bedroom

can easily be converted back into two separate rooms to make it 4 bedrooms. A second updated full bathroom is accessible from the hallway.

The top level is dedicated to a private primary suite, designed as a true sanctuary. A spacious walk-in closet offers ample storage, while the luxurious ensuite bath feels like stepping into a private spa. A custom glass-block wall filters in natural light, illuminating the space while preserving privacy. The centerpiece is a 6x6 walk-in shower, expansive enough for a resort-level experience. A built-in sauna completes the retreat, offering a haven for relaxation and rejuvenation.

Outside, this property shines with its resort-style backyard oasis. The in-ground pool serves as the centerpiece, framed by a spacious patio perfect for lounging, grilling, or hosting summer gatherings. Multiple access points—from the dining room’s elevated deck, the rec room’s sliding doors, and the finished basement—create seamless indoor-outdoor living. The deck is ideal for morning coffee or evening cocktails overlooking the pool, while the patio provides space for dining and entertaining. Mature trees and thoughtful landscaping add both privacy and tranquility, making the backyard feel like your own private retreat. A storage shed offers convenience, while the expansive layout ensures room for both play and relaxation.
