The covered front porch welcomes you as you enter into your new home through the front door. The large living room to the right of the hardwood staircase features original, refinished hardwood flooring, recessed lighting, and plenty of windows for natural light. To the other side of the staircase is the dining room, with multiple windows and brand new laminate wood plank flooring which flows right into your absolutely stunning kitchen. The kitchen features wood ceiling beams, quartz countertops, shaker style white cabinetry, a gray center island with seating capacity, stainless appliances including a 5 burner gas range, double sink with gooseneck faucet, and a pantry. This primary suite is tucked away on the other side of the staircase and features tons of recessed lighting, a large walk-in closet, and an en-suite bathroom with

gorgeous artisan look ceramic floor tile and a tiled walk-in shower. Heading up the front hardwood staircase to the 2nd floor, the first of 3 upstairs bedrooms features hardwood flooring, a double door closet, and steps to 1 of 2 attic living spaces on the 3rd floor. The 2nd bedroom also features hardwood flooring and multiple windows. As you leave those 2 bedrooms you will find the upstairs hall bathroom, complete with tile flooring, tub/shower combo with tile surround, and a linen closet. Just past that is the coveted 2nd floor laundry room with laminate flooring and plenty of space to add a work table for folding. The upstairs hallway is large enough to use as flex space, possible an office area or reading nook, and features the same laminate flooring as the laundry room. Off this hallway youâ€™ll find the 3rd upstairs bedroom as well as access to the second 3rd floor attic living space! The basement of this home houses your mechanical systems (Yep â€“ BRAND NEW HVAC just installed during the renovation as well) and provides great additional storage space. There are multiple outside living spaces as well. Your large front porch has plenty of room for some farmhouse rocking chairs, where you can sit and enjoy your morning brew or relax as the sun goes down at night. The new paver patio off the kitchen is lined with mature trees for privacy so you can enjoy quiet evenings having dinner outside. A brand new, extra-long driveway and 540 sq.ft. 2-car detached garage/workshop with its own electric panel provide plenty of parking and space for all your projects! The massive rear yard of the property is flat and provides an abundance of outdoor space for you to do just about anything with â€“ possibly more outbuildings, a pool, or more outdoor living spaces â€“ you name it!
