Do not miss this great property. This 1.55 acre property is Located in the center of town but yet on a nice little side street . Currently a 2 bedroom, but the walk up attic beckons to be finished into a 3rd bedroom.

House is a bit dated but charmingly so. The 24ft x 14ft living room was added after the original house was built and offers a nice brick fireplace with stove insert. This home has never been on the market and the original owners took great care of it. Did I mention central air, and the oversized 2 car garage with an extra garage attached to the back of it. Property consist of 2 Parcels.

Built in 1949
