A Classic Wynnewood Colonial Reimagined for Modern Living! This stately 1920s Colonial seamlessly blends timeless architecture with refined modern updates, offering over 3,000 square feet of sophisticated living space in one of Wynnewood's most walkable and coveted neighborhoods – just steps from Suburban Square, downtown Ardmore, and both SEPTA and Amtrak train lines. Enjoy the best of Main Line living with shops, restaurants, parks, top-rated schools, and the beloved Farmers Market all within easy reach.

Every detail of this home reflects a perfect balance of historic charm and contemporary comfort. High ceilings, original hardwood floors, oversized windows, tall baseboards, and elegant Juliette balconies preserve its early 20th-century character, while thoughtful renovations bring a fresh sense of luxury.

Step through the welcoming foyer and into sunlit spaces framed by classic millwork and gleaming hardwoods. A gracious dining room and an inviting family room with built-ins and a cozy gas fireplace set the tone for effortless entertaining. Through a set of French doors, a bright window-lined sunroom offers year-round enjoyment, perfect as a reading nook, playroom, or home office, with direct access to the private backyard.

The updated kitchen is as functional as it is charming, featuring white cabinetry, granite

countertops, a walk-in pantry, a coffee bar, and a cozy breakfast nook ideal for morning coffee or casual meals. A convenient side entrance provides easy access from the driveway and garage. A stylishly updated powder room completes the main level.

Upstairs, the spacious primary suite feels like a private retreat with room for a sitting area or office, dual closets (including a walk-in), and a beautifully updated en-suite bath boasting a glass stall shower and an oversized soaking tub. Two additional bedrooms, a renovated hall bath, and charming built-ins along the hallway complete the second floor.

The third level offers two more generously sized bedrooms, another full bath, and a large storage closet.

The walkout basement provides abundant storage and houses the laundry area. Outback, enjoy a partially fenced-in yard with a play set, and plenty of room for gardening, play, or relaxing in privacy. A one-car oversized garage with plenty of room for additional storage boasts a brand new garage door and opener. Other recent updates include a roof (2021) and A/C install (2017).

Located in the award-winning Lower Merion School District, with high school choice, this home is a rare opportunity to own a character-filled gem in one of the Main Line’s most vibrant and desirable communities.
