The first introduction to Foxfield speaks to its history of elegance and refinement. As a fitting partner to the property's architectural elements, the commanding location presents a one-of-a-kind privacy that only time can provide. One of only a handful of Saucon Valley's legacy properties, the house and grounds have been proudly cared for, and recently updated with a stunning addition and breathtaking renovations.

Foxfield offers every contemporary convenience, completed with the care and consideration one would expect from a home of this caliber. The newly completed renovation and additions impress with subtle sophistication and set the bar for every property in the enviable environs of Saucon Valley. It also offers a rare opportunity to invest in an extraordinary home, nestled in a premiere location, offering a superb lifestyle. Live in what you love... enjoy the safe investment in your future.

As a Bethlehem Steel legacy property, both the history and fabulous new presentation are noteworthy. Always home to prominent executives, the property charms and entices. In keeping with the requirements for an executive property, the driveway allows plenty of room for a limousine to turn full circle. Set back from the

road, Foxfield allows for private venues, enjoyable family space and subdivision possibilities, if so desired.

Voluminous in living area, the 2022 floor plan invites entertaining, offers rooms for family gatherings, and provides spectacular vistas through floor-to-ceiling windows. The scale and scope of this newly imagined first floor is amazing. A luxurious entrance foyer opens to the grand living room with walls of glass showcasing the private, covered terrace and wildlife beyond. Adjacent is a lavish dining room, with equally amazing views and glass walls, allowing access to the terrace and pool and fully a part of the 2022 kitchen. This brand new, gourmet kitchen is ready for the pages of Architectural Digest. Top-of-the-line appliances, butler's pantry, wine cooler, mudroom and laundry, all make everyday requirements a breeze. A new, personal gym is just steps away, with a new three car attached garage and a second floor bonus room awaiting the needs of a new family.

The 2022 addition, with first floor primary suite, was designed as a special retreat. This totally separate primary wing, with fireplace, opens to a private patio and lovely vistas. The primary bath is luxurious and the custom walk in closet is a dream. On the second floor of this addition is a vaulted family room with walls of glass and stylish appointments and cabinetry. Completing the home's fully renovated second floor are three large bedrooms and two new baths.

Surpassing and exceeding expectations, Foxfield is nestled in the center of its 4.6 acres, taking every advantage of its incredible environs. The pool and bluestone patio beckon you to enjoy

one of Saucon Valley’s finest retreats.  
Relax at day’s end at the pool and terrace,  
stroll the grounds and entertain friends and  
family with panache, relishing the privacy and  
enjoying the  
convenience of this very special location.
