Awesome opportunity to own a large, well maintained corner property in a great neighborhood with countless options! This was previously used as a church, but with a current zoning of CMX2 it allows a lot of flexibility. Due to it's current designation it's also tax exempt which is a huge break. There have been many updates over the last several years including the roof in 2014, new heater in 2018, a newer chimney and hot water heater. Unique properties like this are rarely this affordable and don't come around often! See it today!

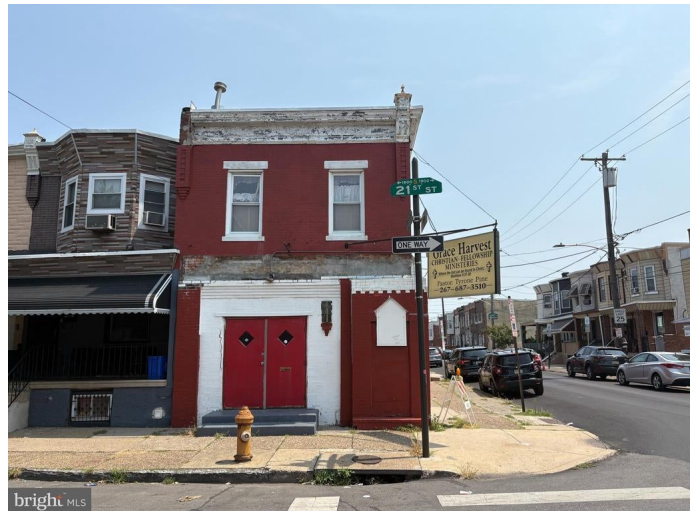

Built in 1920
