Discover a home thatâ€™s anything but ordinary. This beautiful two bedroom two bathroom was designed by Italian architect Stefania Zoboletti and blends thoughtful design with striking architectural details. From the moment you step inside, you're welcomed by an exposed brick feature wall and natural light streaming in through the glass rear door. Near the entrance, a custom designed bookshelf adds both function and flair, offering a glimpse through to the built-in shelving that lines the far end of the living room, perfect for displaying art, books, or collectibles.
