Residential

LOWER MOYAMENSING, PHILADELPHIA, PA

Start with the picturesque stoop out front, perfect for greeting the day or the neighbors. Inside, you'll find an inviting open-plan first floor (15 feet wide) with bright windows and a full bathroom. The kitchen opens out into a restful backyard, accented by a built-in garden bed. The finished basement provides ample storage space, allowing the rest of the square footage to be devoted to living your life. Upstairs, you'll find 3 true bedrooms -- none of the dinky twin-mattress-only rooms that are unfortunately common. Central AC keeps the summer humidity at bay, and the updated windows keep your winter warmth indoors. It's not hard to see why the sellers have loved this home so much -- now it's your turn!
