Residential on 0.10 Acres

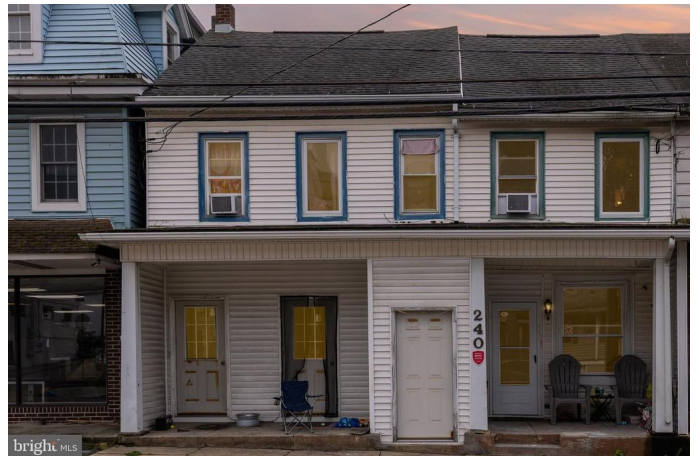

TOWER CITY, TOWER CITY, PA

Every home tells a story, and 240 E Grand Ave is ready for its next chapter. Tucked along E Grand Ave in Tower City, this semi-detached home has nearly 1,900 square feet of space to work with, the kind of size that feels comfortable from the start, but also leaves plenty of room for your own ideas.

Inside, you'll find three bedrooms and two full bathrooms, with a layout that's easy to live in and full of potential. The rooms have that traditional feel you only get in older homes, wide enough to arrange just how you like, with the kind of charm that doesn't come from new construction. It's the sort of place where you can picture holiday dinners in the dining room, kids running through the hallways, or quiet mornings with coffee by the window.

Out back, the yard offers just enough space for a garden, a fire pit, or a play area, while the detached garage gives you options, a place to park, store tools, or even start that project you've been putting off.

What makes this home even better is where it's situated. You've got quick access to Route 81, making it easy to get to Harrisburg, Lancaster, Reading, or Lewisburg. And when you want a change of pace, Siegrist Dam, State Game Lands, and other outdoor escapes are just a short drive away.

The best part? This home is priced to give you freedom. Whether you’re looking for an affordable first home, a place to put down roots with your family, or an investment property in a growing area, 240 E Grand Ave gives you the foundation to make it happen. All it needs now is someone ready to see its potential and bring it to life.
