This adorable stone home in Dover has been given a glow-up by the seller, turning it into an unexpected oasis of calm and tranquility. Before you ever enter the home, you will be drawn to the peaceful pergola and pond area behind the oversized 2-car garage. This whimsically-landscaped outdoor space has plenty of room for outside dining and seating. Entering the front door of the home, you will immediately appreciate the refinished original hardwood floors throughout most of the main level (bedrooms and living room). From the kitchen, you can walk out to the breezeway which provides a wonderful space for additional dining or living space. The home boasts 4 bedrooms (2 on the main level and 2 upstairs). In the basement, you will find a finished rec room, an oversized laundry room with cabinets and sink, as well as utility and storage rooms. Let's talk practical upgrades. Since buying the home in 2022, the seller has replaced the furnace, the A/C, the water heater, the garage doors, and new windows for the 1st floor will be installed soon; a complete list is in the attached documents. This vintage home is worth a look- come check it out!
