BALLSTON WALK, ARLINGTON, VA

Sophisticated three-level townhouse offering the ideal blend of charm and convenience. Part of a perfect courtyard of five townhome condos, this property has a large walled brick patio, and exposures on three sides for an abundance of natural light on every level.

Wood floors beautifully enhance the first level, where the updated kitchen opens to the light-filled living area, anchored by a welcoming wood-burning fireplace. On the second level, two bedrooms share a convenient hall bath, with a second fireplace enhancing the front bedroom. The front bedroom/den was originally open living space and can be easily converted back if desired. The entire third floor is dedicated to the primary suite, creating a spacious private retreat with its own bath and a large walk in closet.

Outdoor living is equally inviting, with a secluded brick patio ideal for relaxing or entertaining. An assigned parking space is located just outside your door. The entire interior has been freshly painted, and the bedrooms given new carpeting, making this property move-in ready.

Tucked away in a private setting, this home enjoys exceptional privacy while remaining moments from the Ballston Metro station and the vibrant shops, dining, and amenities along Glebe Road and Wilson Boulevard.
