Residential on 2.88 Acres

LAKE ISAAC ESTATES, GORE, VA

Welcome to your lakeside escape on private Lake Isaac—a 4-bedroom, 3.5-bath retreat on nearly 3 acres that blends natural beauty with thoughtful updates and timeless craftsmanship. Nestled at the quiet end of the lake, you'll enjoy peaceful wildlife views, a private dock, and plenty of room to unplug and recharge.

Step inside to the open-concept main level, where vaulted ceilings, plantation shutters, crown molding, and upgraded oak floors set the stage for lake house living. The island kitchen features a wood-crafted range hood and a tin backsplash, complementing the overhead pots and pans storage for that rustic feel. A two-story brick fireplace with a hand-carved mantel anchors the living space, creating the perfect gathering spot year-round. The fully finished lower level is designed for both fun and function—an incredible theatre room with couches & TV conveying, a bar space with dart board and Vermont Casting wood stove, an exercise room, laundry, full bath, and abundant storage. This home has been meticulously maintained over the years: a new roof with 30-year shingles & gutters were installed in 2018 (gutter guards were installed in 2025); a new well pump came in 2023; the septic system was pumped the same year and inspected by the county in 2024. Appliances continue the trend of care and quality with a Café Line refrigerator (2025), dishwasher (2024), stove (2022), and washer/dryer just two years young. Dual

electrical panels, a whole-house water filter, & preventative termite pods add peace of mind. Even the dual chimneys have been specially double lined, and re-pointing and caps done on exterior. Fresh paint, new exterior doors on both levels, and a freshly stained deck complete the recent improvements. Outside, youâ€™ll find a fenced garden (perfectly designed to keep the deer at bay), a garden shed, an additional fire pit, and shady hammock spots. The 3-acre lot offers room to play, relax, and enjoy your surroundings. Whether woodworking in the oversized garage, hosting movie nights downstairs, or simply sitting on the dock watching the water ripple, this Lake Isaac home is both a retreat and a lifestyle. Quiet. Private. Yours.
