Located in an enclave of five stately townhomes, 1501 McLean Corner Lane is an end unit, overlooking lush neighborhood green space. With approximately 4,602 sq. ft., the rooms are spacious and full of light, with 9' ceilings throughout the main level. The gracious foyer opens to a large living room that includes a wood-burning fireplace. The expansive dining room has access to a newly built deck. The sunny kitchen includes an eat-in area and provides additional access to the deck.

Upstairs, the primary suite has two walk-in closets and a beautifully renovated bath with double vanities and a frameless shower.
