Residential on 0.50 Acres

MARY LEA PARK, ALEXANDRIA, VA

A residence that truly has it all—crafted with intention and designed for living on every level. Custom-built on nearly an acre of wooded land, this estate is unlike anything in the surrounding community—combining the freedom of no HOA with the refined finishes and amenities typically found in Great Falls or McLean. This home could be the perfect solution for multigenerational living, or anyone who desires both comfort and grandeur. Spanning four levels and connected by a private elevator, it offers six bedrooms, a game room, theater, and endless spaces for gathering, entertaining, or simply retreating in style.

The main level impresses with rich hardwood floors, intricate cabinetry, and a gourmet kitchen with granite counters and stainless steel appliances. A soaring two-story family room with a dramatic fireplace and detailed ceiling becomes the heart of the home. Upstairs, the primary suite offers warmth and sophistication with its own fireplace, built-ins, and a spa-like travertine bath with soaking tub. The upper level's bonus room and full bath provide flexibility for extended family or guests.

The lower level is a destination in itself—featuring a stone bar, custom built-ins, fireplace, and media room—an entertainer's dream. Every detail, from the millwork to the finishes, speaks of

craftsmanship and care.

This is more than a home; it is a place where generations can thrive, celebrations can unfold, and everyday life is elevated.

Built in 2006
