CHAIN BRIDGE FOREST, MCLEAN, VA

With over \$200,000 in upgrades in the past two years, this beautifully updated 6-bedroom, modern colonial home is conveniently located in McLean's coveted Chain Bridge Forest—just one stoplight from D.C. Blending sophistication with privacy, this home backs to 10 acres of protected woodlands—offering a peaceful retreat with unmatched access to the city.

Thoughtful renovations are evident throughout, beginning with the gracious foyer that opens to elegant formal spaces, including a living room with a classic brick wood-burning fireplace and a dining room framed by peaceful wooded views. The renovated kitchen features white-glazed cabinetry, stainless steel appliances, and new quartz countertops, seamlessly connecting to a sunlit breakfast room with access to the rear deck. A charming main-level bedroom/office with custom built-ins—and an adjacent powder room—adds even more versatility and functionality.

The upper level features a skylight that brightens the hardwood floors and leads to the spacious primary suite, complete with a sitting room, a Juliet balcony, a walk-in closet, and a spa-inspired bath which was renovated in 2024. Two additional bedrooms share a stylish hall bath. Restoring a fourth bedroom on the upper level is possible. The walk-out lower level includes a generous recreation room with patio access and flexible living space ideal for an in-law or au pair suite, featuring a

kitchenette, two versatile bedrooms, and a full bath.

Notable updates include a new roof, a HVAC system, a fully renovated kitchen, a remodeled primary bath, a new driveway, and a new water heater—just to name a few. This rare opportunity beautifully blends timeless elegance with modern enhancements and is ideally located near DC, most commuter routes, parks, and premier shopping
