

# \$5,500,000 - 930 Douglass Dr, MCLEAN

MLS® #VAFX2261530

**\$5,500,000**

7 Bedroom, 7.00 Bathroom, 10,150 sqft

Residential on 0.92 Acres

LANGLEY FOREST, MCLEAN, VA

A rare opportunity to own an estate of timeless beauty, crafted with exceptional quality and elevated by a resort-caliber backyard that offers an incomparable lifestyle just moments from the nation's capital. Nestled on a lushly landscaped one-acre lot in sought-after Langley Forest, this extraordinary custom home by Galileo Builders spans more than 10,000 square feet and showcases 7 bedrooms, 8 bathrooms, 4 fireplaces, and a screened porch.

The spectacular backyard is a private oasis designed for year-round enjoyment. At its center is a sparkling pool and spa, complemented by a pergola with a full outdoor kitchen, a pavilion with a ceiling-mounted TV and electronic shade screen, a dramatic stone fireplace, and expansive terraces surrounded by manicured gardens.

Inside, timeless architecture and bespoke finishes create an elegant yet welcoming ambiance, with a seamless flow between indoor and outdoor spaces. The grand foyer opens to light-filled interiors with 10-foot ceilings and gracious formal rooms: a living room with marble fireplace, a banquet-sized dining room with butler's pantry, and a richly appointed library with custom built-ins and hidden bar. The family room, anchored by a large stone fireplace, connects to the chef's kitchen outfitted with professional-grade appliances, a walk-in

pantry, and a secondary butler’s pantry with wet bar. The breakfast room, framed by walls of windows overlooking the grounds, features a coffered ceiling and serene vistas. A screened porch with skylights, mudroom, and three-car garage complete the main level.

Upstairs, the owner’s suite is a private retreat with a vestibule entry, tray ceiling with accent lighting, an expansive custom walk-in closet with dressing room, and a spa-inspired bath with dual vanities and soaking tub. Four additional bedrooms, a large exercise room, and a laundry room complete the upper level.

The walkout lower level is designed for both recreation and hospitality. Highlights include a lounge with bar, recreation and media rooms, a custom wine cellar, and a guest/in-law suite with living area, kitchenette, and two ensuite bedrooms. A changing room and second laundry enhance convenience, while direct access to the terraces ensures effortless indoor-outdoor entertaining.

Built in 2005
