HAMPTON ESTATES, FAIRFAX, VA

Welcome to this elegant brick-front colonial in sought-after Hampton Estates, offering over 6,000 finished square feet of beautifully designed living space on a quiet cul-de-sac. From the moment you step inside, the home impresses with its thoughtful layout as a spacious living room sits to the left and a formal dining room to the right, each enhanced by custom millwork and gleaming hardwood floors, while a dramatic mid-house staircase—rather than the typical two-story foyer—creates an architectural centerpiece that connects the main and upper levels in style. The heart of the home is the expansive kitchen with oversized island, granite counters, abundant cabinetry, and stainless-steel appliances, seamlessly flowing into a sun-filled breakfast nook and adjoining family room with a wall of windows. Just off the dining room, a butler’s pantry with granite counters, wine storage, and extensive cabinetry makes entertaining effortless, while a secondary staircase leads directly to the kitchen for added convenience. A unique private home office is located on its own level, offering unmatched peace and separation for today’s work-from-home lifestyle. Upstairs, the luxurious primary suite boasts a tray ceiling, one very large walk-in closet, and a spa-inspired bath with dual vanities, soaking tub, and separate shower, while generously sized secondary bedrooms and well-appointed baths complete the upper level. The finished lower level provides incredible versatility with

spacious recreation areas, recessed lighting, and room for media, fitness, or play, while outside a large private patio backs to mature trees and offers the perfect setting for gatherings. With its unique design, versatile spaces, and prime Hampton Estates location, this home is truly a rare find.
