Open House Saturday 1 to 3:00pm! Better Than New – Langley High School Pyramid! Welcome to 1111 Ingleside Ave, a stunning 2024 built estate set on over half an acre in the heart of Downtown McLean. Boasting over 10,000 square feet of masterful design across four luxurious levels, this home effortlessly blends timeless elegance, modern comfort, and thoughtful functionality – truly better than new construction.

Crafted with meticulous attention to detail and curated by a professional interior designer, the home showcases soaring 10-foot ceilings, 8-foot doors, 7-inch wide plank engineered hardwoods, and rich architectural details throughout. A grand 3-car garage and stately presence introduce the home, but it's the thoughtfully designed interiors that truly set it apart.

The main level is anchored by a gourmet chef's kitchen featuring a 6-burner Wolf range, 48-inch Sub-Zero refrigerator, flush inset cabinetry, and 2 islands – ideal for everyday living and effortless entertaining. The kitchen flows seamlessly into the light-filled family room with fireplace and custom ceiling treatments. A private study with fireplace, a formal dining area, and a spacious main-level bedroom suite with full bath make this level as practical as it is beautiful. A huge mudroom with cubbies, drawers, custom tile, and a dedicated half bath adds even more convenience.

Take the elevator to all four levelsâ€”including a top-floor private suite with bedroom, living area, and bathâ€”perfect for an au pair, in-laws, or guests seeking privacy.

Upstairs, you'll find four generously sized en suite bedrooms, including a luxurious primary suite with oversized walk-in closets and a spa-inspired bath featuring heated floors, custom tilework, and designer finishes. A bright loft and an additional office/craft roomâ€”with its own private staircase from the garageâ€”provide versatile spaces for work or play.

Above the garage, the main home office expands across the full footprint, offering a completely private and functional retreat for remote work or creative projects.

The expansive lower level is designed for entertainment and wellness, with natural light streaming into a massive recreation room, full wet bar with island, fireplace, game/media area, a guest suite with private bath, exercise room, and additional powder room. Whether itâ€™s movie nights, a golf simulator, or a home gymâ€”this level delivers flexibility and flair.

Enjoy outdoor living year-round on the spacious screened-in porch with a stone fireplace, or relax on the front and rear porches. Large backyard is perfect for play, entertaining, or even a future poolâ€”a rare find in McLean.

Located in the Langley High School pyramid, just minutes to Tysons, Clemyjontri Park, the McLean Library, parks, restaurants, and all the amenities of Downtown McLeanâ€”this is more than a home; itâ€™s a lifestyle.
