HUGE HOME...CLOSE

LOCATION...IN-GROUND POOL. Looking for a home that feels like you're living the vacation life, this is it. The pool is amazing, and check out the room sizes - boasting 1,900 square feet on the main level...this is one of the largest split foyers I have seen in my 40 years of business. The property shows great inside and out with many upgrades over the years. Check out the new kitchen, which leads into the separate dining room. The family room is great for get-togethers, game nights, or cozying up by the fireplace on a movie night. The bedrooms are HUGE and make it nice for space to retreat to...the 4th bedroom in the lower level can also be used as a home office. Large fenced yard with shed....Come check out this beautiful home that has something for everyone.

Built in 1988
