Nestled among the trees in the coveted community of The Woods, this beautifully redesigned 2,500-square-foot townhome offers a private, tranquil retreat with all the comforts of modern luxury. Every inch of this three-level home has been thoughtfully updated with custom finishes, designer lighting, and a serene natural palette that brings the outdoors in. Interior design by Honey House brings a curated, modern aesthetic that feels both grounded and refined.

Step through a canopy of pink crape myrtles and onto a welcoming front porch that sets the tone for whatâ€™s inside â€“ a space that feels both elevated and effortless. The open-concept main floor glows with natural light from large sliding doors that lead to a tree-top deck, perfect for morning coffee or late-night stargazing. Inside, a stacked-stone fireplace anchors the living room, framed by warm wood tones and soft modern textures. The new LVP flooring flows throughout, creating a seamless connection between spaces and levels.

The kitchen is a showpiece â€“ bright, functional, and designed for those who love to

cook and gather. It features new quartz countertops, under-cabinet lighting, and refreshed cabinetry paired with a Kraus sink and faucet, matte black appliances, and gold hardware. The result is a timeless blend of style and utility, perfect for both dinner parties and quiet nights in.

Upstairs, the spa-inspired primary suite feels like a boutique retreat, complete with a walk-in shower beneath a skylight that floods the space with natural light. With dual primary suites, three walk-in closets, and three and a half bathrooms, this home adapts beautifully for guests, family, or the perfect work-from-anywhere setup. Every room features new carpet, designer lighting, and thoughtful design touches that make the home feel as inviting as it is refined - like the custom workspace and book shelves in the lower level!

Two porches and two balconies offer endless ways to connect with nature – from coffee among the trees to wine at sunset. Major upgrades include a new roof, new skylights, and a new firebox and chimney, all ensuring that the home is as solid as it is stunning.

Located in The Woods, residents enjoy access to resort-style amenities, including pools, a fitness center, tennis, and a public golf course. Optional B-membership unlocks full privileges, making it easy to live, play, and relax in one of the region's most peaceful settings.

Move-in ready, meticulously maintained, and beautifully appointed – 108 Tecumseh Trail is where nature meets design.
